## **HIGHLANDS SCHOOL DISTRICT MISSION STATEMENT**

The mission of the Highlands School District is to create a quality, caring educational environment and to develop academic, vocational and social programs that will enable students to achieve their highest potential in personal growth; and that the family, the community, business and industry will share in the responsibility to prepare students to function as effective citizens in an ever-changing global community.

### **THE HIGHLANDS COMMUNITY**

The Highlands School District is comprised of the municipalities of Fawn Township, Harrison Township, Brackenridge Borough, and Tarentum Borough. This area is approximately twenty-two square miles with a population of about 25,000. It is located in the northeast corner of Allegheny County along the Allegheny River about 18 miles from Pittsburgh. The Route 28 Expressway provides easy access to the Greater Pittsburgh area. The immediate area contains major industries, including three major research and developmental facilities. The four communities offer a mixture of urban and rural residential areas, and a variety of recreational, educational, shopping, and health care facilities. Residents are within commuting distance of major Pittsburgh and Western Pennsylvania colleges and universities, and a wide selection of business and technical schools.

### **ORGANIZATION OF SCHOOLS**

The Highlands School District is comprised of four school buildings and the Administrative Center. The Highlands High School houses students in grades 9 through 12, the Middle School houses students in grades 5 through 8, Highlands Elementary School houses students in grades 1 through 4, Highlands Early Childhood Center houses students in pre-kindergarten and kindergarten. Total district enrollment is approximately 2,500 students.

### SCHOOL BREAKFAST AND LUNCH PROGRAM

Highlands will continue to offer free breakfast and lunch for all students.

In 2014, Highlands School District received a grant through the Healthy Hunger-Free Kids Act passed in 2010. Our community’s eligibility allows all students to receive free breakfast and lunch items that appear on the school’s monthly menu calendar. The purpose of this program at Highlands is to improve overall student health by providing nutritious, healthy food.

This same legislation is the catalyst for improving nutritional guidelines in the Highlands’ cafes, resulting in meals with lower sodium, less fat and less added sugars. More fruits, vegetables and whole grains have been introduced to students in the lunchroom.

ASK YOUR CHILD: What did you eat today? Did you try anything new? What vegetable or fruit were you offered? What drink did you have? Children’s nutrition and diet drives more than just their health and

physical attributes. It also keeps their brains in high gear, allowing them to remain more focused and learn more! Please encourage your child to ditch the brown bag and jump in line for a nutritious and delicious meal in our café!

QUESTIONS? Contact: Stacey Waffensmith , Food Services Director, at 724-226-2400, ext. 4180.

## ATTENDANCE POLICY

Highlands will enforce the state's compulsory attendance laws to eliminate absenteeism. Parents are able to access their child's attendance by logging into the PowerSchool system at [www.goldenrams.com](http://www.goldenrams.com).

### ABSENCES

- It is not necessary to call the school when your child is absent. Feel free to communicate with your child's teachers about absences, but please understand that a phone call will not excuse the absences - we need written or email documentation for our records.
- A call will be made to all homes/families of students who were marked absent from their homeroom.
- Family educational trips (up to 5 days) *must be pre-approved* by the building principal. Requests must be submitted at least one week in advance of the trip and should be submitted to the office.
- **If an excuse is not provided within 3 days of the student's last absence, that absence(s) becomes an Illegal absence.** Excuses will no longer be accepted if they are turned-in late.
- If a student has 3 Illegal absences, parents will receive a Notice of Truancy in the mail notifying them of the Illegal days and encouraging them to contact the school to participate in an attendance improvement meeting over the phone or in-person.
- After the 6th Illegal absence, a letter will be sent in the mail with a date and time for a Student Attendance Improvement Plan conference. If parents cannot attend due to work, please contact the attendance office within 48 hours of the meeting to reschedule. Failure to attend the meeting and continued absences may result in a citation with the local magistrate.
- When a student reaches their 8th Excused absence, a Warning Letter will be mailed notifying parents that all absences beyond 10 require a doctor's excuse or the absence is illegal.
- **Truancy is 3 unexcused absences; habitually truancy is 6 unexcused absences.**
- **If a student has 10 days of consecutive non-attendance, they will officially be withdrawn from Highlands School District.** The student would need to be re-enrolled to attend Highlands School District in the future.
- Please call the attendance office at **724-226-2400, press 3 for the middle school and then extension 3007**, if you have any questions about the attendance policy.

### EXCUSE FOR ABSENCE

- After an absence, a student **MUST** give their homeroom teacher a written excuse or email the school.

- Acceptable excused absences include illness, accidents, death in the family, religious reasons or impassable roads. All other absences may be judged illegal. The excuse must include the student's full name, date(s) of absence(s), reason(s) for absence(s), the date the excuse was written and the signature of the parent or guardian. The excuse must be submitted upon return to school, or the absence will be classified as illegal. Attendance contacts by building:
  - Highlands Middle School, Karen Barnwell Secretary
  - [HMSAttendance@goldenrams.com](mailto:HMSAttendance@goldenrams.com) 724-226-2400
- Parents and students should make every effort to schedule appointments for special services after school. Administrators and teachers discourage the practice of dismissal during school hours, but if it is necessary to be excused during the day, the student must follow this procedure.
  - Submit to the office a written request from the parent stating the reason and time the student is to be excused. The excuse must be presented to the principal or assistant principal one day in advance. Requests made by phone will not be honored.
  - After verifying the request, the school will give the child a special excuse on a blue slip.
  - The parent or guardian must report to the office when the child is leaving.

### **ABSENCE FOR VACATIONS**

For optimal success of our student(s) we request you do not schedule vacation when school is in session. Absences due to family vacations will be considered legal if the following conditions are met:

- Submit the required district form (see the appendix), detailing the nature and dates of the vacation to the building principal at least one week in advance of the departure date.
- The length of the vacation should not exceed five (5) school days. Any days exceeding 5 will result in illegal absences.
- Parents will be responsible for making sure that missed school work will be completed by the child before returning to school.
- Students referred to the district justice for attendance issues may not be granted approval for vacations. This will be at the principal's discretion.

### **ILLNESS DURING SCHOOL HOURS**

A student's claim of illness does not necessarily justify being excused from class or school. Students who claim to be ill must:

- Ask the teacher's permission to see the nurse, who will determine the degree of illness. If the nurse is not present, the student should report to the office. If a student is sent home from school by the nurse, that day is counted as an attended day of school.
- If necessary, the nurse or member of the office staff (NOT THE STUDENT) will contact the home to arrange for transportation.
- If the parent, a near relative or other designated person cannot be contacted, the student will not be permitted to leave school.
- Parents may request the child's homework assignments during an extended absence and should make arrangements for the work to be picked up, either by another student or designated adult after a 24-hour notice.

## **ARRIVAL TO SCHOOL**

- Students are allowed in the building at 7:40 a.m.
- Breakfast is provided each morning for all students in the cafeteria.
- Students will report to their assigned morning locations after picking up breakfast.
- Students must be in their arrival location by 8:10 a.m. Students must be in their homeroom by 8:20 am or they will be marked as having an illegal absence for the day. Arrival after 8:20 a.m. requires that the student must report to the office for a tardy slip.

## **TARDINESS AND CHANGES IN DISMISSAL**

- Students are marked tardy if they arrive at school between 8:20 and 10:00 a.m. Students are marked ABSENT for the morning session (one-half day) if they arrive after 10:00 a.m. Students will be marked ABSENT for the whole day if they arrive after 11:30 a.m.
- A request for early dismissal before 10:00 a.m. will be marked as one whole day of absence. A request must be written and submitted to the office who will contact the parent/guardian to verify the request.
- A request for early dismissal before 11:30 a.m. will be marked as one-half day of absence.
- A written excuse is required for every tardiness. There is a one-day grace period to submit an excuse. After the second day, that tardiness is illegal.
- After 5 tardies during a school year, a warning letter is sent to the parent/guardian. After a student has accumulated 10 tardies, they are given a half day illegal absence. For each five tardies following the ten tardies, an additional one-half day of illegal absence will be charged against his/her record. After 3 days of illegal absences, a first notice letter will be served to the parent/guardian.
- As stated above, any and all notices served thereafter during a student's entire period of enrollment in the Highlands School District, shall be a truancy citation. Any and all trancies will require the parent/guardian to attend a hearing before the district justice.

Parental cooperation regarding absences will ensure the safety and welfare of students and will promote good attendance habits.

## **ATHLETIC PROGRAMS**

The athletic program at Highlands Middle School exists for the purpose of giving wholesome activities to students and for providing competition with other schools. We encourage both active participation as well as spectator support. Our seventh and eighth grade student programs meet the requirements of the Pennsylvania Interscholastic Athletic Association (PIAA).

<b>FALL</b>	<b>WINTER</b>	<b>SPRING</b>
Cross Country	Boys Basketball	Softball
Soccer	Wrestling	Track
Girls Basketball		Baseball
Football		Volleyball

## **GRADE REQUIREMENTS FOR EXTRACURRICULAR ACTIVITIES**

The Highlands School District provides the opportunity for students to: work to their fullest potential, maximize effectiveness in the classroom, stay in school, and participate in a tutorial program designed to improve their grades. The Highlands School District has, therefore, developed the following guidelines that govern student participation in athletics.

1. The Athletic Director will contact the Middle School Administration each Wednesday to inform them of students who are failing more than one subject.
2. A student failing more than one subject on any given Friday at the time the eligibility report is generated will be ineligible for upcoming week (Saturday to Saturday).

## **BOOKBAGS/BACKPACK/Crossbody/Fanny Packs/Belt Bag**

- Students will all be provided a locker and are allowed to bring book bags to school.
- All book bags will be checked at metal detectors upon arrival.
- All bags must be stored in each student's locker. Students will not be permitted to carry any bags around during the day.
- All cell phones and non-school technology devices must be kept in their bags/locker during the school day.
- Students will not be permitted to wear drawstring bags, crossbody, fanny packs, belt bags, purses etc.

## **HEALTH SERVICES**

The nurse's suite is on the first floor and supervised by a certified school nurse. If students are ill, they must secure a pass from their teacher and report directly to the nurse's suite.

Between classes, students must obtain a pass from their next class teacher. Under no circumstances are students to make their own decision to leave school because they feel ill. Students are not permitted to remain in the restrooms if they are ill. Instead, they must report to the nurse's office.

Students returning to class will be given a pass from the nurse. Students who become ill while school is in session must be seen by the nurse to be dismissed. Failure to do so may result in disciplinary action.

Only the nurse or an administrator have the authority to excuse a student from school because of illness.

### **Examinations**

Pennsylvania requires each student to receive a comprehensive health examination conducted upon original entry, sixth grade, and eleventh grade. Families may have these examinations completed by their family physician. Forms are available on the Highlands School District website.

### **Screenings**

As school law requires, hearing tests will be conducted at the 7th-grade level, and vision screening tests will be conducted at the 5<sup>th</sup>, 6<sup>th</sup>, 7<sup>th</sup>, and 8<sup>th</sup> grade levels. Dental examinations will be conducted in the 7<sup>th</sup> grade. In addition, incoming students who have not had a screening exam will be evaluated.

In addition, a yearly screening program consisting of weight and height measurements are completed on every student. Abnormal screening results will be communicated to parents/guardians. Please contact the school nurse if you choose to opt your child out of health screenings.

In accordance with the school policy, the parents/guardians of students who are to receive physical and dental examinations or screenings shall be notified. The notice shall include the date and location of the examination or screening and notice that the parents/guardians may attend. In addition, the notice shall encourage the parent/guardian to have the examination or screening conducted by the student's private physician or dentist at the parent's/guardian's expense to promote continuity of care. Such statement may also include notification that the

student may be exempted from such examination or screening if it is contrary to the parent's/guardian's religious beliefs.

### **Immunizations**

All students shall be immunized against specific diseases in accordance with state law and regulations, unless specifically exempt for religious or medical reasons. Immunization requirement information is available on the Highlands School District website.

### **Medication**

#### **MANDATED REPORTING**

Act 299 (Pennsylvania General Assembly - December 30, 1970) amends Act 91 (1967) known as The Child Abuse Law (dealing with gross physical neglect or injury to children under eighteen years of age) as follows:

"Any school nurse whose examination of a child less than eighteen years of age or any school teacher whose observation of a child less than eighteen years of age discloses evidence of gross physical neglect or injury shall immediately report such an incident. Any person who makes or participates in the making of a report shall be immune from any liability."

All concerns of abuse will be reported on the Child Abuse Hot Line (1-800-932-0313). This is the law. All school employees are bound by law to report concerns of neglect or abuse that are brought to their attention.

## **MEDICATION IN SCHOOL**

The administration of prescribed medication to a student during school hours in accordance with the direction of a parent/guardian and family physician will be permitted only when failure to take such medicine would jeopardize the health of the student or if the student would not be able to attend school if the medicine were not available during school hours.

No medication, prescription and non-prescription (over the counter), will be administered in school except the Direct Medication Order Form of a licensed health provider and accompanied with a parent's/guardian completed and signed Highlands Medication Administration Permission Form. This paperwork must be in place before any medications are dispensed to students. Highlands School District does not supply any medications and it is the parent's responsibility to supply and deliver all medications to be administered during school hours.

Under no circumstances should a student have **any drug** - prescription, over-the-counter, legal or illegal, in his/her possession for any reason. This would be a drug code violation and would merit consequences spelled out in the Code of Conduct. The only exception would be possession/use of asthma inhalers.

Only the School Nurse, or other licensed health personnel is solely responsible for administering medications to students. Students are NOT permitted to carry or possess any medications while at school. All medication is to be taken in the presence of the school nurse. In the case of inhalers and EpiPens, the parent/guardian and student will follow the procedures for possession and use of emergency medications. The parent/guardian of the child must assume responsibility for informing the school nurse of any changes in the child's health or change in medication. A new "Medication Order" from the licensed provider and the Medication Permission Form, completed by the parent will be required with each change in medication and at the start of each school year. The complete Medication Policy may be viewed at any school building or online at [www.goldenrams.com](http://www.goldenrams.com).

## EMERGENCY SCHOOL CLOSINGS

When it is necessary to announce a delay in starting time or the cancellation of classes for the day because of an emergency, parents and students should follow the standard procedures.

1. When the decision is made to delay or close, a district wide call will be made on the One-Call System to inform everyone registered to receive a call. In addition, the Superintendent will contact the local Pittsburgh radio and television stations, which begin broadcasting school information at 6:00 AM. This information will also be posted on the Golden Rams' website at [www.goldenrams.com](http://www.goldenrams.com). **Please do not call the schools for information.** Listen to KDKA or WPXI or check <http://kdka.com/schoolclosings/> or <http://www.wpxi.com/closings/> for all cancellations or delays.
2. When a two (2) hour delay is announced, students should report to their schools two hours later than usual. On a two-hour delay, morning K-FOUR classes and breakfasts in all buildings are canceled.
3. The decision to delay, close, or dismiss school early is based on the safety and welfare of the students, and requires everyone's cooperation. Parents who would not be at home during such an emergency should arrange for students to report to an alternate safe place.

## FIELD TRIPS

As part of the educational program, children may attend field trips supervised by classroom teachers. Students are permitted to participate in field trips only with a completed parent permission form. Field trips are a privilege. Students may lose this privilege if their behavior impedes the safety of the students and/or staff.

## FIRE AND EMERGENCY DRILLS

According to the PA School Law, fire or school safety drills shall be conducted periodically, but not less than once monthly. All teachers will communicate fire drill procedures to their classes. When the fire alarm is given, without exception, the building must be evacuated. Students will exit *quickly* and *quietly* with their teacher in an orderly fashion and meet outside at their assigned area. Emergency drills will be held both on and off site.

## INSURANCE (STUDENT)

In the event of medical emergencies, expenses incurred are the responsibility of the parent/guardian. **The responsibility for arranging for any insurance needs lies with the respective student or**

**parents/guardian, not with the school.** A student insurance policy covering school accidents with school day coverage or 24-hour coverage is available for purchase each fall. Application forms are given to all students through homeroom teachers at the beginning of the school year. The application and check are then returned to the student's homeroom teacher in the sealed envelope provided.

Late registrants can acquire an application form during student registration or by calling the company directly. **This insurance does not cover interscholastic sports in any form including practice sessions or travel to and from such activities or practices. Before students are allowed to compete on a school team, they must show proof of insurance coverage.**

All accidents or injuries on school grounds should be reported to the main office and to the nurse. Failure to report any accident or injury may cause insurance coverage to be voided. School insurance claim forms may be picked up in the main office.

**NOTE:** *It is recommended that all students purchase insurance coverage.*

## **LOCKERS**

- Lockers will be assigned to every student for the storage of cell phones, books, supplies and clothing. Each locker is provided with a built-in combination lock. Please keep locker combinations confidential.

- The school is not responsible for any property stored in the student lockers.

## **LOST AND FOUND**

## **MAKE-UP WORK**

Students are responsible for all assignments missed during an excused absence. The student must contact the teachers and arrange to complete all work within the agreed upon timeline. Parents may request make-up work, by contacting the school counseling office, for absences that extend more than 3 days. Please allow 24 hours to obtain the make-up work from the teachers.

## **METAL DETECTORS**

All book bags, sports bags and purses will be checked at the security tables before entering the school. Students will not be permitted to bring in any open food or drink containers. These items will be placed on the security tables for inspection. All students and visitors must pass through the metal detectors before entering the building.

### **Refusal to Be Searched**

**If a student refuses to be searched for any reason, the student may be subject to consequences in accordance with the Highlands Middle School Discipline code. ## **PROCESS FOR ADDRESSING COMPLAINTS OR CONCERNS**

A parent or student who has a complaint or concern should first speak directly with the teacher involved. If necessary, the matter may then be brought to the principal. ## **SECTION 2—STUDENT SERVICES AND INSTRUCTIONAL PROGRAMMING**

The goal of Highlands Middle School's instructional program is to equip each child to be an informed, caring and effective citizen. Students in middle school are learning skills to read, foundational writing skills, the acquisition of facts and skills and being an individual learner as well as a *community of learners*. We expect our students to express ideas through speaking and writing, work with mathematical operations, investigate, inquire and collaboratively solve problems. All students are also offered experiences in Art, Music, Physical Education, and Library. Units of instruction in conflict resolution, bully prevention, nutrition education, career education, drug, alcohol, and tobacco awareness are part of the total curriculum.

We use the MTSS (Multi-Tiered System of Support) framework which is a comprehensive system of supports including standards-aligned, culturally responsive and high-quality core instruction, universal screening, flexible grouping, data-based decisions, tiered services and supports and parental engagement.

Students will be engaged in individual, small group, corrective, remedial and/or enrichment opportunities. We believe that students learn best when they accept challenging yet achievable goals and are given individualized, constructive feedback. We also believe that a positive emotional climate promotes learning. At Highlands Middle School, the potential of each child is celebrated.

Highlands School District promotes a district-wide philosophy supported by procedures and policies that contribute to the promotion of a *RAMS for Life* attitude. We expect our students to be Respectful, Accountable, Motivated and Safe in all school settings and in the community. The administration, teachers and support staff teach students what these behaviors look like, recognize those students who display these behaviors and encourage and support students who struggle. A large portion of this philosophy depends on consistency, communication and cooperation among all stakeholders.

One of the primary goals of Highlands Middle School is to promote constructive and respectful behaviors. The procedures and consequences described in the tables below are designed to modify unacceptable behavior, not to punish. Students will be expected to make appropriate decisions concerning their behaviors. Building principals have the right to address behaviors on a case-by-case basis. The following guidelines serve as a framework for behavior throughout the school.

## **BULLYING/CYBER BULLYING**

Bullying is a form of aggression where (1) the behavior is intended to harm or cause distress, (2) the behavior occurs repeatedly over time, and (3) there is an imbalance of power or strength among the parties.

We, Highlands Middle School, take this very seriously. Bullying violates a student's rights, and can adversely affect a student's education. **NO FORM OF BULLYING WILL BE PERMITTED AT HIGHLANDS MIDDLE SCHOOL.** Depending upon the severity of the bullying offense, the following consequences may be enacted for a student found to be bullying:

Cyber bullying, or bullying through the use of technologies such as cell phones, networking websites, or email, is a federal crime. Anyone caught cyber bullying may be reported to the local police department in addition to being disciplined through the school.

## **BUS SAFETY**

In the interest of a safe, orderly, and pleasant ride on the school bus, students are expected to be courteous and cooperative. Students are to ride their assigned bus. Students may not ride another bus without a written request from a parent and signed permission from the Principal, Assistant Principal or Dean of Students.

Student's actions which endanger themselves and others will be addressed with consequences. The bus driver is in complete charge of the bus. Situations that need attention should be reported to the driver immediately. A student who violates any safety regulation may be deprived of the privilege of school transportation and/or disciplined.

## **BUS MISBEHAVIOR**

Bus transportation is a privilege. Video recordings of bus runs will be reviewed periodically by building principals to assure the safe and orderly transport of students. Misbehavior on a school bus or van may result in the removal of the student from the vehicle and could result in a disorderly conduct citation for serious offences. minimum of three days and a maximum of the rest of the school year for severe or continuing offenses. Building principals have the right to address behaviors on a case-by-case basis. The following course of action serves as a framework of consequences. With a bus suspension, parents/guardians must provide transportation to and from school. Absence from school on a day of bus suspensions will result in an illegal absence. Parents / guardians will be notified of bus misbehavior.

<b>Number of Infractions</b>	<b>Consequence</b>
First	Written Warning
Second	3 Day Bus Suspension
Third	5-10 Day Bus Suspension
Fourth	45 Day Bus Suspension
Fifth	Removal from bus for the duration of school year

## CELL PHONES

The Highlands School Board authorizes student possession of cell phones and other personal electronic devices, such as calculators, laptop computers, handheld computers, cameras, mobile phones, tablets or any other devices designed to communicate, create or store information. While the district does not prohibit bringing these devices to school, the district does not recommend it. Students assume all risks of damage, theft, loss or misuse of such devices. Students may only be permitted to utilize such devices in the classroom with the consent of the teacher. **Otherwise, the cell phone should be off and must be kept in a book bag.**

Violations of this policy by a student shall result in the following disciplinary action and confiscation of the item:

Violation	Disciplinary Action
First	Phone may be picked up at the end of the school day by the student.
Second	Phone may be picked up at the end of the day and the student will receive a disciplinary consequence (i.e. lunch detention, detention, ASA etc.)
Third or More	Phone must be picked up by a parent/guardian and the student will receive a disciplinary consequence (i.e. detention, ASA, etc.)

- Students ***must*** turn off their electronic devices upon entering the building. They must be kept in a book bag/locker.
- Students are prohibited from posting pictures and/or negative comments about other students/staff during school time (this includes the bus ride to and from school) that disrupts the normal function of the school day. Failure to comply with this directive will result in disciplinary action.
- Irresponsible use of cell phone technology and/or electronics will result in disciplinary action and confiscation of the device.

Items may be given to the front office for safe keeping during the school day. Students are responsible for their belongings at all times. The school district is not responsible for any loss or theft of items.

*NOTE: If a student refuses to turn over a prohibited item, he/she will be immediately referred to a principal for disciplinary action.*

## **CAFETERIA EXPECTATIONS**

1. Students will remain in the cafeteria during their assigned lunch period.
2. Students are to remain seated until dismissed by staff at the end of the lunch period.
3. Students should clean up after themselves and ensure that all garbage is placed in the appropriate receptacles before leaving the cafeteria.
4. Students will maintain an appropriate voice level in the cafeteria at all times.

Failure to follow expectations will result in, but not limited to, lunch detention, resource detention, after school detention, after school detention, after school alternative, or other loss of privileges.

## **CHEATING/PLAGIARISM**

1. Cheating involves giving or receiving unauthorized help by talking, by using written notes, or by any other visual, oral, tactile, or electronic means.
2. Plagiarism is the intentional stealing of words or ideas from someone else and submitting them as one's own work. Plagiarism is a crime: both inside and outside school. The internet "cut and paste" is one example of plagiarism.
  1. A zero will be given on the activity, project, or test on which the cheating occurred with no opportunity for make-up work.
  2. Teachers will notify the parents and refer students to building administration.
  3. A summary of the situation will be handed into the office so it can be placed in the student's discipline file
  4. Students that violate the plagiarism policy will be referred to the dean of students for a misconduct violation and consequences will be issued.

## **CLASS CUTS**

In order for a student to achieve at their highest potential it is imperative that they attend class regularly. Therefore, choosing not to attend class is irresponsible behavior. Students will not have the opportunity to complete any missed assignments during the period they did not attend.

- 1<sup>st</sup> offense: Students will have a conference with the teacher
- 2<sup>nd</sup> offense: Students will receive a lunch/choice detention
- 3<sup>rd</sup> offense: Students will receive after school detention
  - Students that do not show up for after school detention will receive ASA
- 4<sup>th</sup> offense and greater: Students will receive an ASA which will require them to stay for three hours to make up for the time they have missed in class.

If a student fails to attend ASA within a given time period they may be subject to RRR or out of school suspension.

## **DEFIANCE AND LACK OF RESPECT**

Students who fail to respond to adult requests, say “no”, ignore or act out are demonstrating defiance and or lack of respect.

May be assigned detention by a teacher, staff member or principal to those students who have made poor conduct choices. Detention is after school from 3:00 to 4:00 p.m., Mondays through Thursdays. The student will be given a date to fulfill their detention. If this is not completed on this date, the student will be given in-school consequences and loss of potential extra-curricular privileges. A student who owes a detention is not eligible to participate in school activities. Parents will be notified of all offenses.

## **DRUG AND ALCOHOL POLICY**

The Highlands School District recognizes its responsibility to educate, prevent, and intervene in the use and abuse of all drug, alcohol, and mood-altering substances by students.

Through the use of curriculum, classroom activities, community support and resources, a strong and consistent administration and faculty effort, and rehabilitative and disciplinary procedures, the Highlands School District will work to combat the problems associated with substance abuse that permeates our society.

## **FIGHTING/PHYSICAL ALTERCATION/ASSAULT**

A physical altercation is an unsafe physical act such as pushing, kicking or shoving. A **fight occurs when two or more students are involved** in hitting, punching, kicking, or other aggressive actions. If a child chooses to retaliate, he/she has chosen to participate in the fight.

An **assault** is defined as a violent physical or verbal attack intended to injure another person. The difference between an assault and a fight is that in an assault, **the victim does not participate or retaliate**. When an assault occurs, the police may be called, a citation may be issued, and the student may be arrested. In addition, the student will receive an out of school suspension and will have the possibility of expulsion, depending on the severity of the assault.

## **HARASSMENT**

Harassment is “to annoy or torment repeatedly and persistently.” This includes any and all derogatory sexual, racial, and ethnic remarks, and personal intimidation. After a thorough investigation by the school’s administration, students found guilty of harassing other students or staff members will face severe disciplinary actions. **These actions may include, but are not limited to a restriction from school**

**activities, assigned to lunch detention, a suspension from school, a citation for harassment filed with the district justice and a school board expulsion hearing.**

## **LEAVING THE BUILDING**

Leaving the school building without permission is very serious. Police and parents will be notified immediately.

## **OPEN CONTAINER**

1. Students are not permitted to have any open containers in school. Students bringing in beverages that are not sealed must empty or dispose of them upon arrival.
2. Students are permitted to bring refillable water bottles. Upon entry, these bottles must be empty. This includes parent/guardians dropping off items for students.
3. All food and drinks, except water, are only permitted in the cafeteria. Students that bring large bags or boxes of food will have them confiscated. These situations will be dealt with on a case-by-case basis.

## **FOOD DELIVERY**

Highlands School district does not accept delivery of food from outside entities (Ie. Pizza, door dash, grubhub.) Any deliveries will be declined and they will not be reimbursed.

## **INAPPROPRIATE LANGUAGE**

The use of profanity and/or abusive or inappropriate language will not be tolerated. Profanity involves vulgar speech and/or actions. Abusive language involves ethnic, religious, racial and/or sexual slurs. Inappropriate language includes substitute curse words and put downs.

## **SUSPENSION**

Out of school suspension is a **severe** disciplinary consequence in which a student is released to a parent/guardian for a designated period of time. During this time, the student must remain at home during school hours. A student on suspension is not permitted to participate in extracurricular activities. In addition, when a student is suspended and a parent/guardian has been contacted they must pick up the student at the school ASAP.

When students are suspended from school, they may not attend any school function or activity. Students who attend a function or event during the course of their suspension will have their suspension extended and may receive a citation for trespassing. This also applies to suspension that stretches over a weekend and would include school events that would occur on a Friday, Saturday, and/or Sunday.

## **SUSPENSION WHEN SCHOOL IS CANCELED**

If a suspension falls on a day that school is canceled for some reason, such as a snow day, that day **WILL NOT** count as a suspension day. The suspension will be continued to the next day that school is in session. For example, if the suspension falls on a Tuesday and school is canceled that day due to snow, the suspension will be moved to Wednesday. Thus, the suspended student should not return to school on Wednesday, but would return to school on Thursday.

## **TARDY TO CLASS**

Students are considered tardy if they arrive to class after the teacher has begun with no pass. After three tardies, students will earn a lunch detention/choice detention and a phone call home. Teachers will work with parents and students with chronic tardy concerns.

## **THEFT**

Student is in possession of, having passed on, or is responsible for removing someone else's property or has signed a person's name without that person's permission.

## **THREATS**

Threats are defined as an act or reference to do bodily harm. Threatening another student or staff member verbally or physically is intolerable, and is considered severe in nature.

## **VANDALISM**

Vandalism is the damage and/or defacing of school property. The normal repair and maintenance of school equipment and buildings is a costly item in the school budget. When school property is damaged or destroyed through vandalism, it is inconvenient for students and staff of the affected building and places an unfair burden on the taxpayer. Parents are financially responsible for the cost of repair or replacement if the damage has been done deliberately.

## **WEAPONS**

The definition of “weapon” includes, but is not limited to, any knife, cutting instrument, cutting tool, martial arts device, brass or metal knuckles, firearm, hand gun, shotgun, rifle, chemical agent (such as mace or pepper spray), explosive device, or any other tool, instrument or implement capable of inflicting injury.

The definition of “firearm” includes firearms of any type which will or may readily be converted to expel a projectile by the action of an explosive, any destructive device, pellet gun, BB gun, or look-alike firearm whether capable of operation, loaded or unloaded.

Students suspected of possessing a weapon are subject to a search of pockets, lockers, coats, book bags, purses, and cars parked on school property. Regulations also permit the use of reasonable force by school officials to obtain a weapon or otherwise dangerous object. If a student resists a search, the local police will be called for assistance.

## **SECTION 4—PARENT INVOLVEMENT**

Children do better in school when their family takes an active role in their education. There are many ways for us to look at parent involvement, and at least six different categories of involvement have been encouraged by successful schools. At Highlands, parents are encouraged to become as active as possible including all these levels of involvement:

Parenting Level - Ensuring regular attendance, getting the child to the school bus or to the school building on time, calling to report your child is sick, making certain the child completes homework and assignments, congratulating a child's success, supporting the school's discipline, attending the Back-to-School Night and Teacher Conference days.

Communicating Level - Two-way communication includes home-to-school, sending in an excuse or doctor's excuse when a child has missed a day of school, signing the homework planner each night, calling the child's teacher when there is a concern, returning calls from the school, keeping the Emergency Card up to date with working / current phone numbers and contact information.

Volunteering Level - Joining and/or attending the PTO, participating in the school Parent Advisory Committee (PAC), helping with one of the many school-wide student activities, becoming a weekly classroom or office helper, reading in classrooms to groups of children.

\*See note below regarding VOLUNTEERING in our schools.

Home Learning Level - Working on the class work or homework papers with your child to assess for yourself what your child knows and is able to do, providing the contact with teachers or tutors to assist your child with academic weaknesses.

Decision Making Level - Become involved at the public meetings and open forums of the District-wide Title I PAC, joining the PTO Board, working with other families to create an Action Plan for your school.

Community Collaboration - Participate in Family Literacy activities at the school and in the Community Library and other locations, help to extend the contacts that our Board of School Directors have developed to involve community partners and local businesses in the education programs.

## **PARENT- TEACHER CONFERENCES**

Parents are able to schedule conferences with teachers and principals any day of the school year by calling the school to make an appointment. In addition, the district has scheduled several parent-oriented events throughout the year when parents can exchange ideas and get information concerning the schools and their children.

A day in November is scheduled for Parent-Teacher Conference Day, held at all schools in the district. The purpose of this day-long event is to allow parents to become acquainted with all of their children's teachers, and to receive information on student potential, performance and achievement early in the school year.

In addition, Back to School Nights are scheduled in September at each school.

Since time limits at these events prohibit lengthy discussions on serious problems, parents are invited to make appointments in advance to discuss problems at a time convenient for both parties.

## **VOLUNTEERS**

Highlands School District welcomes parents and community members into the District as volunteers. The District believes it is important to include the community in its mission to build foundations for the futures of our students. Many programs, extracurricular activities, events and experiences would not be had if it weren't for the graciousness of volunteers. The District anticipates a cordial relationship with you, as a volunteer, and thanks you for your time and dedication to our youth.

## **QUALIFICATIONS FOR VOLUNTEERS**

- Minimum of 18 years of age, unless volunteer is a high school student in a peer-mentoring position.
- Adhere to all regulations, policies and procedures of the Highlands School District.
- Maintain confidentiality when volunteering within the schools.
- Provide State Criminal Record Check and State Child Abuse clearances, as well as FBI clearance or Arrest / Conviction Form, dependent upon period of time of residency in Pennsylvania. Information about how to obtain the necessary clearances is posted on the school website at [www.goldenrams.com/volunteer](http://www.goldenrams.com/volunteer)
