

Spring 2019

Dear Pre-K Counts Parent or Guardian,

We would like to invite you to complete a statewide survey for a study about families' experiences with Pre-K Counts. Your Pre-K Counts program **Highlands Pre-K Counts** is participating in the study, and is hoping that as many families as possible in your program will complete the survey.

The link below will take you to a secure online system to complete a survey about your family and your child's preschool experiences. No one outside of the study team will have access to any of your specific answers.

### What do I need to do?

- Please follow this link to fill out the survey:

- This survey link is unique to your Pre-K Counts program, so please use this link if your child is enrolled in Highlands Early Childhood Center.
- Surveys do not need to be completed all in one sitting. If you have to stop the survey, you may provide us with your email and we will email you a link to use when you are ready to complete the survey (emails will be used only for this purpose).
- Please be sure to click the SUBMIT button once you are done.

Thank you for helping your Pre-K Counts program with the 2019 Pre-K Counts Study! If you have any questions, please contact our study team by email at [paprekstudy@unc.edu](mailto:paprekstudy@unc.edu) or toll-free at (888) 201-0682.

Thank you!
