TURN THE PAGE READING CHALLENGE

Fall Highlights in the Media Center

- Makerspace projects in 8th and 6th grade ELA Classes
- Computer projects in 7th grade Family and Consumer Science Classes
- Graphic Design Creations
- All students visited the Media Center to check out books

This year, starting in November, the HMS Media Center will be starting the "Turn the Page Challenge". Each month, every time a student takes and passes an AR test, their name will be entered in a raffle. Each month, a winner will be pulled from each grade to receive a special prize.
