Dear Students and Parents/Guardians,

At Highlands Early Childhood Center, we are committed to cultivating a positive learning environment that is focused on student success. As we begin a new school year, our goal is to develop and foster a growth mindset through dedication and hard work. We strive to provide an environment in which students hold themselves to be Respectful, Accountable, Motivated and Safe.

Our Highlands Early Childhood Center Handbook is now available on the Highlands School District website (goldenrams.com) on the Highlands Early Childhood Center page. The purpose of the handbook is to provide students and parents with information regarding the academic, attendance, and behavior expectations at Highlands Early Childhood Center. Upon review of this information with your child, please **sign below and return by September 9, 2022** to your child’s teacher. Please use the handbook as a reference during the school year.

The teachers and staff at Highlands Early Childhood Center are here to support students with their academic, personal, and future goals. Please do not hesitate to contact us with questions, concerns, and suggestions. We look forward to working with you and your child(ren).

## **HIGHLANDS SCHOOL DISTRICT MISSION STATEMENT**

The mission of the Highlands School District is to create a quality, caring educational environment and to develop academic, vocational and social programs that will enable students to achieve their highest potential in personal growth; and that the family, the community, business and industry will share in the responsibility to prepare students to function as effective citizens in an ever-changing global community.

## **THE HIGHLANDS COMMUNITY**

The Highlands School District is comprised of the municipalities of Fawn Township, Harrison Township, Brackenridge Borough, and Tarentum Borough. This area is approximately twenty-two square miles with a population of about 25,000. It is located in the northeast corner of Allegheny County along the Allegheny River about 18 miles from Pittsburgh. The Route 28 Expressway provides easy access to the Greater Pittsburgh area. The immediate area contains major industries, including three major research and developmental facilities. The four communities offer a mixture of urban and rural residential areas, and a variety of recreational, educational, shopping, and health care facilities. Residents are within commuting distance of major Pittsburgh and Western Pennsylvania colleges and universities and a wide selection of business and technical schools.

## **ORGANIZATION OF SCHOOLS**

The Highlands School District is comprised of four school buildings and the Administrative Center. The Highlands High School houses students in grades 9 through 12, the Middle School houses students in grades 5 through 8, Highlands Elementary School houses students in grades 1 through 4, and Highlands Early Childhood Center houses students in Pre-Kindergarten and Kindergarten. Total district enrollment is approximately 2,500 students.

## SCHOOL BREAKFAST AND LUNCH PROGRAM

Highlands will continue to offer a FREE breakfast and FREE lunch program for all enrolled students.

In 2014, Highlands School District received a grant through the Healthy Hunger-Free Kids Act. This act, passed in 2010, qualified the district for CEP (Community Eligibility Provision) allowing all students to receive free breakfast and lunch each school day. The purpose of this program is to ensure overall student health by providing students with daily nutritious food options.

Highlands will be following the HHKFA regulations by offering students with whole grain rich breads, low fat, low sodium, and lower sugar foods. Students will be offered a variety of fruits and vegetables daily.

Students who pack their lunch and wish to purchase a milk will have to pay \$0.65. Such purchases will accumulate on your student's account. You can access student balances at: [www.myschoolbucks.com](http://www.myschoolbucks.com)

MySchoolBucks will be used to track student balances and load funds into your student's account. If you student would like to purchase snacks, money must be loaded into their account. The school district has a no charge policy.

A "closed lunch" program is in effect. Students may bring their own lunch or receive a free lunch from the school cafeteria. All students must eat in the cafeteria. Pizza and/or fast food deliveries are not permitted.

ASK YOUR CHILD: What did you eat today? Did you try anything new? What vegetable or fruit choices did you have? What drink did you have? Children's nutrition and diet drives more than just their health and physical attributes. It also keeps their brains in high gear, allowing them to remain more focused and learn. Please encourage your child to ditch the brown bag and jump in line for a nutritious and delicious meal in our café!

Please Contact: Stacey Waffensmith, Food Services Director, at 724-226-1000, ext. 4180 with any questions.

## ARRIVAL TO SCHOOL / ABSENCE FROM SCHOOL

Students **must be in homeroom by 8:55 a.m.** or they will be marked *illegally absent* for the day. Students who arrive tardy to school *must be signed in* by a parent/guardian. An automated call will be sent to all homes/families of students who were marked absent from homeroom. **You do not need to call in the office to let us know that your student will be absent.**

## PRE-K COUNTS ATTENDANCE PROCEDURES

Students enrolled in Pennsylvania Pre-K Counts classrooms are considered full-time and must attend five days per week for a minimum of 180 school days per year for the length of the instructional day (either 2.5 hours/half day or a full school day). **Morning Pre-K students will report at their regular time on half days scheduled by Highlands School District.**

Families may be contacted when children are absent for 3 consecutive days to learn the nature of the absences. At this time, HECC and the family may discuss and determine approaches to support the child's attendance at school. Children who have 10 or more unexcused absences over the course of the school year and have not responded to program supports may be dismissed from the Pennsylvania Pre-K Counts classroom. More details concerning the attendance expectations for Pre-K Counts are found in the Pre-K Counts Handbook. The Attendance Procedures listed under "Kindergarten Attendance Procedures" apply to school-age students, not Pre-K Counts students.

## **ATTENDANCE POLICY**

Good attendance is a habit every student should develop. A student with excessive absenteeism cannot be taught effectively and cannot sustain class expectations. To develop and maintain good attendance habits for all students, Highlands has adopted a strict and effective attendance policy.

*New School Laws of Pennsylvania classify all absences as unexcused or illegal except those for the following reasons: illness of the pupil, death in the family, religious, and "exceptionally urgent reasons" such as quarantine, recovery from an accident, required court attendance, approved family educational trips, educational tours, etc.*

Highlands will enforce the state's compulsory attendance laws to eliminate absenteeism. Parents can access their child's attendance at any time by logging into PowerSchool at [www.goldenrams.com](http://www.goldenrams.com).

A doctor's excuse is required for absences due to illness in excess of ten days, and for each day of absence thereafter. A warning letter will be sent after the eighth day of absence regardless of the reason.

## **ABSENCE REPORTING / INFORMATION**

It is not necessary to call the school when your child is absent. Feel free to communicate with your child's teachers about absences, but please understand that a phone call will not excuse the absences. Written or email documentation is required for our records.

A call will be made to all homes/families of students who are marked absent from their homeroom.

Family educational trips (up to 5 days) *must be pre-approved* by the building principal. Requests must be submitted at least one week in advance of the trip and should be submitted to the office.

If an excuse is not provided to the school within 3 days of the student's absence, the absence(s) will be recorded as an illegal absence. Excuses will not be accepted if they are turned in late.

If a student has 3 illegal absences, parents will receive a Notice of Truancy in the mail notifying them of the illegal days and encouraging them to participate in an attendance improvement meeting.

After the 6<sup>th</sup> illegal absence, a letter will be sent in the mail with a date and time for a Student Attendance Improvement Plan conference. If parents cannot attend due to work, they should contact the school office within 48 hours of the meeting to reschedule. Failure to attend the meeting and/or continued absences may result in a citation with the local magistrate.

When a student reaches an 8<sup>th</sup> Excused absence, a Warning Letter will be mailed notifying parents that all absences beyond 10 require a doctor's excuse or the absence will be illegal.

Truancy is defined as 3 unexcused absences; habitually truant is defined as 6 unexcused absences.

If a student has 10 days of consecutive non-attendance, they will officially be withdrawn from Highlands School District. Re-enrollment would be required to attend Highlands School District in the future.

Please contact the District Attendance Officer, Carmen Corna, if you have any questions about the policy @ 724-226-2400 ext. 3007.

## **EXCUSE FOR ABSENCE**

After an absence, a student MUST provide a written or email excuse to the student's school secretary. The excuse must include the student's full name, date(s) of absence(s), reason(s) for absence(s), the date(s) the excuse was written, and the signature of the parent or guardian. The excuse must be submitted upon return to school, or the absence will be classified as illegal. Attendance contacts by building are:

- Highlands High School, Patty Sirota, [psirota@goldenrams.com](mailto:psirota@goldenrams.com)
  - 724-226-2400, ext. 4, ext. 4600
- Highlands Middle School, Karen Barnwell, [kbarnwell@goldenrams.com](mailto:kbarnwell@goldenrams.com)
  - 724-226-2400, ext. 3, ext. 3650
- Highlands Elementary School, Dawn Howells, [dhowells@goldenrams.com](mailto:dhowells@goldenrams.com)
  - 724-226-2400, ext. 2, ext. 2601
- Highlands Early Childhood Center, Jamie Mace, [jmace@goldenrams.com](mailto:jmace@goldenrams.com)
  - 724-226-2400, ext. 1, ext. 1600

Excused absences include illness, accidents, death in the family, religious reasons, or impassable roads. All other absences may be judged illegal.

Parents and students should make every effort to schedule appointments for special services after school. Administrators and teachers discourage the practice of dismissal during school hours, but if it is necessary to be excused during the day, the student must follow this procedure:

- Submit to the office, a written request from the parent stating the reason and time the student is to be excused. The excuse must be presented to the office one day in advance. Requests made by phone will not be honored.
- The parent or guardian must report to the office to have the student released.

## **ABSENCE FOR VACATIONS**

For optimal student success, we request you do not schedule vacations when school is in session. Absences due to family vacations will only be considered legal if the following conditions are met:

- Submit a request on required district form (see Appendix), detailing the nature and dates of the vacation to the building principal at least one week in advance of the departure date.
- The length of the vacation does not exceed five (5) school days. Any days exceeding 5 will result in illegal absences.
- Parents will be responsible for making sure that missed schoolwork is completed by the child before returning to school.
- Students referred to the magistrate for attendance issues may not be granted approval. This permission will be at the principal's discretion.

## **ILLNESS DURING SCHOOL HOURS**

A student's claim of illness does not necessarily justify being excused from class or school. Students who claim to be ill must:

- Ask the teacher's permission to see the nurse, who will determine the degree of illness. If the nurse is not present, the student should report to the office. If a student is sent home from school by the nurse, that day is counted as an attended day of school.
- If necessary, the nurse or member of the office staff (NOT THE STUDENT) will contact the home to arrange for transportation.
- If the parent, near relative or designated person cannot be contacted, the student will remain in school.

Parents may request the child's homework assignments during an extended absence and should plan to pick up assignments after a 24-hour notice.

## **TARDINESS**

Students who arrive between 8:55 AM and 10:35 AM will be marked Tardy. Any student arriving after 10:35 AM will be marked Absent for a half day. Students who arrive after 2:05 PM will be marked Absent for the whole day. Students who leave school before 10:35 AM will be marked Absent for a whole day. Students who leave school between 10:35 AM and 2:05 PM will be marked Absent for half a day.

## **EMERGENCY SCHOOL CLOSINGS AND DELAYS**

The decision to delay starting times, to cancel school, or to dismiss students early because of weather factors or other emergencies is based solely on the safety and welfare of students. These situations necessarily require the understanding and cooperation of parents. Parents who are not ordinarily at home at times of morning delays, school cancellations, or early dismissals should make arrangements at the start of the school year for their children to be supervised at home, or for them to report to a pre-arranged, safe place when such an emergency occurs.

## **EMERGENCY PROCEDURE**

- Announcements of school emergencies will be broadcast on local radio and TV stations, the School Messenger phone system, the district's website, [www.goldenrams.com](http://www.goldenrams.com), the website's E-Alert (e-mail message) system, Facebook, Twitter, and the Highlands mobile app.
- On a two-hour delay, starting times at schools and bus pick-up times will be adjusted according to the length of the delay for K-12 students.

- Early dismissals due to emergency will be ordered only when absolutely necessary.
- Additional information or changes during a particular emergency will be broadcast if necessary.

**SECTION 2**  
**STUDENT SERVICES AND INSTRUCTIONAL PROGRAMMING**

The goal of Highlands Early Childhood Center’s instructional program is to equip each child to be an informed, caring, and effective citizen. Students in Pre-K and Kindergarten are learning skills to read, foundational writing skills, the acquisition of facts and skills and being an individual learner as well as a *community of learners*. We expect our students to express ideas through speaking and writing, work with mathematical operations, investigate, inquire, and collaboratively solve problems. All students are also offered experiences in Art, Music, Physical Education, and Library. Units of instruction in conflict resolution, bully prevention, nutrition education, career education, drug, alcohol, and tobacco awareness are part of the total curriculum.

We use the MTSS (Multi-Tiered System of Support) framework which is a comprehensive system of supports including standards-aligned, culturally responsive and high quality core instruction, universal screening, flexible grouping, data-based decisions, tiered services and supports and parental engagement. Students will be engaged in individual, small group, corrective, remedial and/or enrichment opportunities. We believe that students learn best when they accept challenging yet achievable goals and are given individualized, constructive feedback. We also believe that a positive emotional climate promotes learning. At Highlands Early Childhood Center, the potential of each child is celebrated.

All kindergarten students will take the Acadience benchmark assessments in Math and Reading three times during the year.

## **PHYSICAL EDUCATION / PROPER DRESS**

The elementary program has been structured to provide your child with a wide range of experiences. These activities range from basic skill development to creative movement. All areas within the program provide for a comprehensive foundation of values and learning experiences. All clothing should be comfortable and allow for movement. Each student should be properly dressed for total activity participation. Dressy and restrictive types of clothing are strongly discouraged, as is excessive jewelry.

## **SECTION 3 STUDENT CODE OF CONDUCT**

Highlands School District promotes a district-wide philosophy supported by procedures and policies that contribute to the promotion of a *RAMS for Life* attitude. We expect our students to be Respectful, Accountable, Motivated and Safe in all school settings and in the community. The administration, teachers and support staff teach students what these behaviors look like, recognize those students who display these behaviors and encourage and support students who struggle. A large portion of this philosophy depends on consistency, communication, and cooperation among all stakeholders.

One of the primary goals of Highlands Early Childhood Center is to promote constructive and respectful behaviors. The procedures and consequences described in the tables below are designed to modify unacceptable behavior, not to punish. Students will be expected to make appropriate decisions concerning their behaviors. Building principals have the right to address behaviors on a case by case basis. The following guidelines serves as a framework for behavior throughout the school.

## **CODE OF CONDUCT DEFINITIONS**

### **BULLYING**

Children being bullied need and deserve adult intervention and help. Without intervention the problem will not go away. Highlands School District's definition of bullying is repeated and unwanted negative actions towards another child.

### **BULLY PREVENTION PROGRAM**

Highlands School District believes that children who are bullied need and deserve adult intervention and help. Students in kindergarten participate in the *Second Step Program*. This program is designed to provide elementary students with the knowledge and skills they need to be responsible, effective problem-solvers and communicators while fostering a safe and caring school environment.

### **BUS MISCONDUCT**

Bus transportation is a privilege. Video cameras are installed on all Highlands buses. Video recordings will be reviewed periodically by building principals to assure the safe and orderly transport of students.

Misbehavior on a school bus or van may result in the removal of the student from the vehicle for a minimum of three days and a maximum of the rest of the school year for severe or continuing offenses. Building principals have the right to address behaviors on a case by case basis. The following course of action serves as a framework. With a bus suspension, parents/guardians must provide transportation to and from school. Absence

from school on a day of bus suspensions will result in an illegal absence. Parents / guardians will be notified of bus misbehavior.

| Number of Infractions | Consequence                                      |
|-----------------------|--|
| First                 | Written Warning                                  |
| Second                | 3 Day Bus Suspension                             |
| Third                 | 10 Day Bus Suspension                            |
| Fourth                | 45 Day Bus Suspension                            |
| Fifth                 | Removal from bus for the duration of school year |

### **CELL PHONES/ELECTRONIC ITEMS-See Appendices**

The Highlands School Board authorizes student possession of cell phones and other personal electronic devices, such as pagers, calculators, personal digital assistants (PDAs), laptop computers, handheld computers, cameras, MP3 players, mobile phones, tablets or any other devices designed to communicate, create or store information. While the district does not prohibit bringing these devices to school, the district does not recommend it. Students assume all risks of damage, theft, loss, or misuse of such devices. Students may only be permitted to utilize such devices in the classroom with the consent of the teacher.

- Students **must** turn off their electronic devices upon entering the building. They must be kept book bag/locker.
- Students are prohibited from posting pictures and/or negative comments about other students/staff during school time. (This includes the bus ride to and from school) Failure to comply with this directive will result in disciplinary action.
- ***Irresponsible use of cell phone technology and/or electronics will result in disciplinary action and confiscation of the device***

### **CAFETERIA MISCONDUCT**

Inappropriate behavior in the cafeteria including, but not limited to, failure to clean up after themselves, throwing/spilling food, out of seat without permission, and using unsafe voice levels.

### **CHEATING/PLAGIARISM**

Deliberate copying of another person's work. Student will receive a zero for the assignment.

### **DEFIANCE AND LACK OF RESPECT**

Students who fail to respond to adult requests, say "no", ignore or act out are demonstrating defiance and or lack of respect.

### **DRUGS/ALCOHOL/TOBACCO - See the District Policy**

### **FIGHTING / PHYSICAL ALTERCATION/ASSAULT**

A physical altercation is an unsafe physical act such as pushing, kicking, or shoving. A fight occurs when two or more students are involved in hitting, punching, kicking, or other aggressive actions. If a child chooses to retaliate, he/she has chosen to participate in the fight. An assault is defined as a violent physical or verbal attack intended to injure another person. The difference between an assault and a fight is that in an assault, the victim does not participate or retaliate.

### **HARASSMENT**

Harassment includes derogatory racial, ethnic, and/or sexual remarks, and personal intimidation.

## **INAPPROPRIATE/PROHIBITED MATERIALS**

Items including but not limited to: cell phones, Pokemon or other trading cards, open containers, gaming and electronic devices, fireworks, matches, shell casings, toy weapons, etc.

## **LEAVING THE BUILDING**

Leaving the school building without permission is very serious. Police and parents will be notified immediately.

## **PROFANITY / INAPPROPRIATE/ABUSIVE LANGUAGE**

The use of profanity and/or abusive or inappropriate language will not be tolerated. Profanity involves vulgar speech and/or actions. Abusive language involves ethnic, religious, racial, and/or sexual slurs. Inappropriate language includes substitute curse words and put downs.

## **THEFT**

Student is in possession of, having passed on, or is responsible for removing someone else's property or has signed a person's name without that person's permission.

## **THREATS**

Threats are defined as an act or reference to do bodily harm. Threatening another student or staff member verbally or physically is intolerable and is considered severe in nature.

## **VANDALISM**

Vandalism is the damage and/or defacing of school property. The normal repair and maintenance of school equipment and buildings is a costly item in the school budget. When school property is damaged or destroyed through vandalism, it is inconvenient for students and staff of the affected building and places an unfair burden on the taxpayer. Parents are financially responsible for the cost of repair or replacement if the damage has been done deliberately.

**WEAPONS**—See Appendices

**CONTROLLED SUBSTANCES**—See Appendices

## **CODE OF MISCONDUCT AND RESPONSE STRUCTURE**

The examples provided in this Code of Conduct are not to be construed as limiting the behaviors which may require disciplinary action by school personnel. The following misconduct/response structure includes four levels. **Level I, II, III, and IV represent a continuum of misbehaviors based on the seriousness of the act and the frequency of the occurrence, determined by school administration.** Students should avoid the behaviors listed as examples under each level and, instead, exhibit good conduct. Any student found in violation of Board Policy and District rules and regulations will receive appropriate disciplinary action.

## SECTION 4

### PARENT INVOLVEMENT

Children do better in school when their family takes an active role in their education. There are many ways for us to look at parent involvement, and at least six different categories of involvement have been encouraged by successful schools. At Highlands, parents are encouraged to become as active as possible including all these levels of involvement:

*Parenting Level* - Ensuring regular attendance, getting the child to the school bus or to the school building on time, calling to report your child is sick, making certain the child completes homework and assignments, congratulating a child's success, supporting the school's discipline, attending the Back to School Night and Teacher Conference days.

*Communicating Level* - Two-way communication includes home-to-school, sending in an excuse or doctor's excuse when a child has missed a day of school, signing the homework planner each night, calling the child's teacher when there is a concern, returning calls from the school, keeping the Emergency Card up to date with working / current phone numbers and contact information.

*Volunteering Level* - Joining and/or attending the PTO, participating in the school Parent Advisory Committee (PAC), helping with one of the many school-wide student activities, becoming a weekly classroom or office helper, reading in classrooms to groups of children.

\*See note below regarding VOLUNTEERING in our schools.

*Home Learning Level* - Working on the class work or homework papers with your child to assess for yourself what your child knows and is able to do, providing the contact with teachers or tutors to assist your child with academic weaknesses.

*Decision Making Level* - Become involved at the public meetings and open forums of the District-wide Title I PAC, joining the PTO Board, working with other families to create an Action Plan for your school.

*Community Collaboration* - Participate in Family Literacy activities at the school and in the Community Library and other locations, help to extend the contacts that our Board of School Directors have developed to involve community partners and local businesses in the education programs.

## **PARENT-TEACHER CONFERENCES**

Parents may schedule conferences with teachers and principals during the school year by calling the school to make an appointment. In addition, the district has scheduled several parent-oriented events throughout the year when parents can exchange ideas and get information concerning the schools and their children.

A day in November is scheduled for Parent-Teacher Conference Day, held at all schools in the district. The purpose of this day-long event is to allow parents to become acquainted with their children's teachers, and to receive information on student potential, performance, and achievement early in the school year.

In addition, Back to School Nights are scheduled in September at each school.

Since time limits at these events prohibit lengthy discussions on serious problems, parents are invited to make appointments in advance to discuss problems at a time convenient for both parties.

## **PARENT-TEACHER ORGANIZATION**

The administrators and faculty of Highlands Early Childhood Center welcome the activities and efforts of the school's parent-teacher organization, which provides benefits to our children in the form of materials, equipment and special programs and events. It also provides parents with the opportunity to become more familiar with the school. PTO meetings are held each month at the school. The dates and times will be posted on the Highlands website, [www.goldenrams.com](http://www.goldenrams.com), and also in the PTO newsletter.

## **VOLUNTEERS**

Highlands School District welcomes parents and community members into the District as volunteers. The District believes it is important to include the community in its mission to build foundations for the futures of our students. Many programs, extracurricular activities, events, and experiences would not be had if it weren't for the graciousness of volunteers. The District anticipates a cordial relationship with you, as a volunteer, and thanks you for your time and dedication to our youth.

### **Qualifications for Volunteering:**

- Minimum of 18 years of age (unless volunteer is a high school student in a peer-mentoring position)
- Adhere to all regulations, policies, and procedures of the Highlands School District
- Maintain confidentiality when volunteering within the schools

- Provide State Criminal Record Check and State Child Abuse clearances, as well as FBI clearance or Arrest / Conviction Form, dependent upon period of time of residency in Pennsylvania
- Information about how to obtain the necessary clearances is posted on the school website at [www.goldenrams.com/volunteer](http://www.goldenrams.com/volunteer)

## **TITLE I PARENT INVOLVEMENT POLICY**

### **1. Purpose**

The Board recognizes that parental involvement contributes to the achievement of academic standards by students participating in Title I programs. The Board views the education of students as a cooperative effort among the school, parents/guardians, and community.

### **2. Authority 20 U.S.C. Sec. 6318**

In compliance with federal law, the district and parents/guardians of students participating in Title I programs shall jointly develop and agree upon a written parental involvement policy. When developing and implementing this policy, the district shall ensure the policy describes how the district will:

b. Provide the coordination, technical assistance and other support necessary to assist participating schools in planning and implementing effective parental involvement activities to improve student academic achievement and school performance, including assistance in understanding state academic content and performance standards, state and local assessments, requirements of Title 1.

d. Coordinate and integrate parental involvement strategies with appropriate programs, as provided by law, including information on how to work with business partners and other community organizations to learn about Title 1 and to encourage school/family/community partnerships.

e. Involve parents/guardians in an annual evaluation of the content and effectiveness of the policy in improving the academic quality of schools served under Title I through explanation and discussion of policy details.

f. Identify barriers to participation by parents/guardians who are economically disadvantaged, are disabled, have limited English proficiency, have limited literacy, or are of any racial or ethnic minority and find ways to strengthen outreach.

g. Use findings of annual evaluations to design strategies for more effective parental involvement that will be implemented throughout the district as appropriate.

h. Involve parents/guardians in the activities of schools served under Title I. 20 U.S.C. Sec. 6318 The Board shall adopt and distribute the parental involvement policy, which shall be incorporated into the district's Title I plan and shall be evaluated annually, with parental involvement.

### **3. Delegation of Responsibility**

The Superintendent or designee shall ensure that the district's Title I parental involvement policy, plan and programs comply with the requirements of federal law. The building principal and/or Title I staff shall provide to parents/guardians of students participating in Title I programs:

- Explanation of the reasons supporting their child's selection for the program.
- Set of objectives to be addressed.
- Description of the services to be provided.

The Superintendent or designee shall ensure that information and reports provided to parents/guardians are in an understandable and uniform format and, to the extent practicable, in a language the parents/guardians can understand.

#### 4. Guidelines 20 U.S.C. Sec. 6318

An annual meeting of parents/guardians of participating Title I students shall be held to explain the goals and purposes of the Title I program. Parents/Guardians shall be given the opportunity to participate in the design, development, operation and evaluation of the program. Parents/Guardians shall be encouraged to participate in planning activities, to offer suggestions, and to ask questions regarding policies and programs. In addition to the required annual meeting, additional parent/guardian meetings shall be held at various times of the day and evening. At these meetings, parents/guardians shall be provided:

- Information about programs provided under Title I.
- Description and explanation of the curriculum in use, the forms of academic assessment used to measure student progress, and the proficiency levels students are expected to meet.
- Opportunities to formulate suggestions and to participate, as appropriate, in decisions relating to the education of their children.
- Opportunities to submit parent/guardian comments about the program to the district level.

If sufficient, Title I funding may be used to facilitate parent/guardian attendance at meetings through payment of transportation and child care costs. Opportunities shall be provided for parents/guardians to meet with the classroom and Title I teachers to discuss their child's progress. Parents/Guardians may be given guidance as to how they can assist at home in the education of their child. Whenever Title I parents/guardians are involved in the planning, review, and improvement of the educational programs of the district and require transportation, child care, home visits or other services in order to participate, related expenses may, at the discretion of the district, be paid from Title I funds. The goal of our partnership is to develop programs, activities, and procedures collaboratively, airing differences as needed to increase the capacity for parental involvement to all families in the district.

## **Educational Tour or Trip**

**Please refer to School Board Policy #204**

### **Request for Excuse**

The parent(s)/guardian(s) of a student who wishes to have the student excused from compulsory school attendance in order to participate in an educational tour or trip must submit an application to the Principal of the school in which the student is enrolled. Except for emergency situations, which must be fully explained, this request must be submitted at least one week prior to the date on which the student seeks to be excused for compulsory attendance. If a student will be absent for more than ten (10) school days, the student will be removed as a full-time student. The family will need to reenroll the child upon return.

### **Administrator's Discretion**

The Principal of the school shall exercise discretion whether to excuse the student from compulsory attendance. Consideration shall be given to the length of the tour or trip, the number of requests made during the school year, and whether the educational tour or trip is likely to advance the educational growth of the student. It is the practice of Highlands School District to discourage excused absences for educational tours or trips during the school year.

### **Assignments**

Upon request by a parent, guardian, or student, teachers shall submit a list of student assignments for the period of absence during an approved education tour or trip. Assignments/responsibilities may be made either prior to the absence or upon return to school. All assignments to be completed shall be submitted to the teacher(s) upon return to school or within a reasonable period of time, designated by the teacher(s).

### **Return to School**

The student shall return to school on the first scheduled school day after the excused absence or date previously specified by the building Principal.

### **Implementation**

This policy is designed for implementation at the building level. Frequent recurrence of requests for educational tours or trips during a school year shall result in disapproval, although the requested trip may be meritorious. This policy is designed to foster better school/student relationships and avoid excessive absence.
