

Dear Families,

Good Evening! Sorry for the delay sending this out this evening, I was changing a few things from our previous remote day. As you received a one call from the district, we are going to be remote **Monday, January 6, 2025 starting at 9:55am** for Highlands Elementary School.

Here is the tentative schedule below for Monday. As the day goes on, we might have changes in the schedule as things arise. The yellow highlighted schedule is when we need to be on zoom. If you have any questions or concerns, please feel free to reach out. I will also send a copy of it in email, and on Class Dojo, and it is posted on my teacher website under HES, in your child's google classroom in Homeroom under the classwork tab. Your child if they have an iPad they know where to find our zoom link. It is in the 1. homeroom tab in google classroom it will pop up on their stream for that class. They must click on it to get the blue highlighted section. If you cannot get on in the morning, please send a message on Class Dojo or in email and I will get it. If you have any questions or concerns, please let me know. Also, if you could have students have something to write with and paper. I will see everyone at 9:55 am on ZOOM. Please take care, be safe and stay warm.

There might be more information coming from Dr. Whiteman and Mrs. Kumar Monday morning I will pass that information along as it comes.

Love, Mrs. Meldon
