

Mrs. Snyder's Behavior Plan

Dear Parents,

This year your child will be bringing home a light blue behavior folder each day. We will be using a clip chart in our room to track behavior. Each day your child will start on "Ready to Learn." They can move up or down the chart throughout the day depending on their choices. In their folders you will be able to see where on the chart your child has landed for the day. If they reach the top of the chart they will get a special prize and small achievement certificate. If your child needs to make better choices there will be a "making better choices" ticket in their folder that will show the area in which your child needs to make better choices. If your child gets one of these tickets please sign it and leave it in their folder. You may also initial under the chart each day so I know you saw your child's behavior folder. Please return their behavior folder to me every day.

Thank you!

Jennifer Snyder
