

# Highlands School District Task Force for Reopening Schools Meeting

June 24, 2020

## Talking Points

1. Submission of Health & Safety Plan to PDE
2. Overview of the state's guidelines and requirements for the Health & Safety Plan; must follow CDC & PDE guidelines (masks, social distancing, sanitizing, etc.)
3. Discussion about 180-day attendance requirement and if a hybrid schedule would count toward attendance if students were learning remotely part of the week
4. Discussion about masks, face shields, technology needs, areas that need plexiglass, temperature scanners, sanitizers, sharing materials, bathroom breaks, water fountains, school meals, quarantining in / out of school
5. Transportation considerations for social distancing (more walkers, parents transport); cleaning buses after runs, wearing masks
