

## July 30, 2020 – School Messenger Call & Email

Good Morning Highlands Families,

I have some important informational items to share with all of you regarding the upcoming school year.

The **Transportation Survey** is available on the district website and via the link below for you to complete. *Please indicate your availability to transport your child to and/or from school.* This information is needed in order to plan appropriately for the upcoming school year.

[Click here for the Transportation Survey.](#)

The **Instructional Model Survey** is also available on the district website and via the link below. *Please make sure to complete this survey by indicating which model you want your child to participate in for the start of the school year; either the Hybrid Model or Full Remote Learning Model.* If you do not complete the survey, then the district will plan for your child to participate in the Hybrid Model. It is critical that all families complete this survey, so that the district can assign students equally to A and B days.

[Click here to complete the Instructional Model Survey.](#)

***Both the transportation and instructional model surveys are due by Friday, August 7, 2020.***

Individual building Coffee Talks are scheduled for the week of August 3, 2020. Please check the website for dates specific to each building. An email will be sent to parents with Zoom links to access the meetings.

Reminder: Parent/student technology training is scheduled for the first 2 weeks in August. There are still spaces available, so visit the website to register.

I hope you all are enjoying these hot summer days. We are very excited to see the kids back in person in a few weeks!

Enjoy your day!

Dr. Monique Mawhinney, Superintendent
