One-to-One Technology Integration

In preparing students for 21st century learning, the Highlands School District is deploying a 1:1 integration of technology, where every student in grades K through 1 would receive an Apple Ipad for learning. This initiative will help ensure we graduate students who can work digitally, collaborate meaningfully, and communicate in connected, real-world ways.

Highlands School District has a Google management license that connects our learning community via Google Drive and its productivity suite. This license affords our students the full array of Google Apps for Education and their features. Google offers thousands of educational apps that teachers and students utilize to personalize their learning experience. When students sign into Google Chrome with their *Highlands School District provided* account, these apps are instantly available wherever they go, making a smooth transition between home and school, on any device they may utilize.

The most powerful app on the device is the web browser, which brings the world within students' reach at the touch of a keystroke. Ipad and Ipad are built with this in mind. Ipad runs the Apple Ipad OS (operating system) and provide the web via the Safari & Chrome browsers and accompanying apps. Ipad are automatically updated via the district mobile device management ensuring they remain up-to-date with the latest innovations and security patches.

Students are protected at school and at home when browsing the internet through Lightspeed Relay, a cloud based web filter that monitors and blocks objectionable content.

This handbook outlines the District's expectations, for students in grades K-1, of proper handling of Ipad, describes students' responsibilities and ways they can best take care of the devices, and includes an agreement for them and their parents, including an option for a Technology Protection Plan. Understanding and abiding by this agreement is necessary in order to provide the best use of the technology to our students. Its regulations, along with the District policy on Internet Acceptable Use and Student Handbooks, provide safeguards to ensure students have a positive experience, as we provide a 1:1 integration of educational technology for all.

As we begin this year with individualized technology for every student, we are excited about the possibilities. We know our teachers and students will find new apps, new lessons, and new discoveries as they prepare for tomorrow's opportunities and personalize their learning experience within the Highlands School District.

Ipad Loan Agreement

An Apple Ipad and accessories in good working order are being loaned to each student. Each student's acceptance of the equipment indicates the student's and parent/guardian's acceptance of the responsibility to care for the equipment and ensure that it is kept secure and functional, as expressed in this document.

This equipment remains at all times the property of the Highlands School District and is lent to the student for educational purposes only. The student may not deface or destroy this property in any way. The equipment is for the use of the student only; family and friends should not use the equipment. Inappropriate use of the device may result in the student losing his or her privilege to the use of the Ipad. The equipment will be returned when requested by Highlands School District, at the end of the school year, or sooner, if the student enrollment changes, or withdraws from the District prior to the end of the school year.

The District property may be used by the student only for noncommercial purposes, in accordance with District policies and rules, the District's Internet Acceptable Use Policy, as well as local, state, and federal law.

Students may install apps whitelisted from the District approved app store, or from the Self-Service portal on the device. Please note that personal apps, videos and photos may be deleted if required to free up space for District apps and documents.

The student may not make or allow others to make any attempts to add, delete, access, or modify District owned information on any Ipad or any school owned computer. The Highlands School District network is provided for the academic use of all students and staff. The student agrees to take no action that would interfere with the efficient, academic use of the school network.

Asset tags have been placed on Ipads. Asset tags are for easily identifying ownership of the equipment. These labels are not to be removed or modified. If they become damaged or missing, contact the IT support staff, techstaff@goldenrams.com for replacement.

A Google account - a District licensed Gmail account firstname.lastname@goldenrams.org -- will be available for each student to use for appropriate academic communication with other students and staff members. This email is for communication within the School District and approved senders.

The student agrees to use best efforts to assure that the District property is not damaged or rendered inoperable by any electronic malware while in the student's possession.

Responsibilities

IMPORTANT INFO! PLEASE READ!

Student Responsibilities:

The Ipad is an important learning tool and is to be used for educational purposes only. In order to take the Ipad home each day, you must be willing to accept the following responsibilities.

- When using the Ipad at home, at school, and anywhere else I may take it, I will follow the policies of Highlands School District, particularly the Student Handbook and the Internet Acceptable Use Policy, and abide by all local, state, and federal laws.
- I will treat the Ipad with care by not dropping it, getting it wet, leaving it in an automobile, leaving it outdoors, unsecured, or in a place where it maybe become damaged or stolen.
- I will not lend the Ipad to anyone, not even my friends or family members; it will stay in my possession at all times.
- I will not remove District-owned programs or files from the Ipad.
- I will charge my Ipad nightly so that it has a full charge at the start of school every day.
- I understand that if leave my Ipad at home or do not charge it, I am still responsible for getting coursework done as if I had my Ipad present and charged.
- I will bring the Ipad to school every day. If I leave my Ipad at home for multiple consecutive days, I may be called upon to bring the device in to verify possession and condition of the Ipad.
- I agree that email (or any electronic communication) should be used only for appropriate, legitimate and responsible communication.
- I will keep all accounts and passwords assigned to me secure and will not share them with anyone.
- I will not attempt to repair the Ipad. If it is not working properly, I will notify IT support staff, teachers, or administrators.
- I will bring the Ipad to IT support staff or an administrator if it needs repair. If it needs repair, the student's record will be checked, a loaner may be checked out if the student is eligible and device is available, and appropriate fees will be charged to the student.

Parent/Guardian Responsibilities:

Your son/daughter will be issued an Ipad to improve his/her education this year. It is essential that the following guidelines are followed to ensure the safe, efficient, and ethical operation of this computer.

- I will supervise my child's use of the Ipad at home.
- I will discuss our family's values and expectations regarding the use of the Internet at home.
- I will supervise my child's use of the Internet and email.
- I will not attempt to repair the Ipad, nor will I attempt to clean it with anything other than a dry cloth.
- I will report to the school any problems with the Ipad and will not delete any District software.
- I will make sure my child recharges the Ipad nightly.
- I will make sure my child brings the Ipad to school every day.
- I understand that if my child comes to school without the Ipad, I may be called to bring it to school.
- I agree to make sure that the Ipad is returned to school when requested or upon my child's withdrawal from the Highlands School District.

Use and Care of Your Ipad

- **Bring it to school every day.** Ipads are intended for use at school each day. Teachers will plan their lessons assuming that all students will bring their Ipad with them with plenty of charge. In addition to teacher expectations for Ipad use, school messages, announcements, calendars, and schedules may be accessed using Ipads. You are expected to be responsible to bring your Ipad to all classes, unless specifically instructed to do otherwise by your teacher or principal.
- **Charge your Ipad every night.** Be sure to have a full charge as you enter school each day. Make charging your Ipad part of your nightly routine before going to bed on school nights.
- **Makeup work is a must if you do without.** If you leave your Ipad at school, or come to class without a charge, you are still responsible for all your coursework. If you leave your Ipad at home for multiple consecutive days, your teacher or principal may request you bring the device in to verify possession and condition of your Ipad. Repeatedly not having your Ipad at hand or not having it charged for class, may be cause for disciplinary action.
- **Keep only school-appropriate media on your computer.** Inappropriate media should not be on the Ipad and may not be used as a screensaver or background image. The Ipad should not be used to take photos unless as part of an assignment or instruction by school staff.
- **Do not take images, video or audio without subject consent and school staff permission.** Taking pictures and recording audio or video without permission is inappropriate, and without consent is unlawful. Posting them to the Internet is a violation of our school policies.
- **Obey copyright.** Individually purchased, legal, school-appropriate media is allowed on your Ipad; however, you may be asked to remove any media files at any time. Illegal downloading and distribution of copyrighted works are serious offences and carry with them the risk of substantial fines and criminal prosecution. Copyright infringement violates the District's Internet Acceptable Use Policy and leads to disciplinary action.
- **Abide by media content expectations.** Parents should work in conjunction with teachers and administrators to set expectations for appropriate apps, content, music, videos, games, and etexts on your Ipad. The following are NOT allowed on student Ipads: apps rated 17+ or ESRB M(ature), films rated R and NC-17, television shows with TV-MA-rated content, and media rated Explicit Content. Inappropriate content is not allowed and any violation of this policy will result in disciplinary action.
- **Keep browsing safe and through the school filter.** The District's IT department and technology support staff work responsibly to ensure that potentially inappropriate sites are blocked by the district's internet filter, in accordance with all applicable laws. Students are expected to abide by the Internet Acceptable Use Policy, and are in violation if they access sites through proxies or otherwise circumvent the school filter. At home it is parents' and guardians' responsibility to monitor students' Internet access. For more information on Internet safety, apps, and ratings, please check the guides at commonsensemedia.org.
- **Turn down the volume and pull out the headphones.** Speakers are to be muted at all times, unless you are granted permission by your teacher for instructional purposes. You may also use headphones at teacher discretion.
- **Leave the district-loaded apps on your Ipad.** Do not delete any District-loaded apps, folder, files, or file management software. Deletion of certain files or apps will interfere with your ability to complete coursework.
- **Avoid eating and drinking while using your Ipad.** Doing so puts your Ipad at risk to crumbs and spills that can do permanent damage to the function and life of your device. This is considered neglect.
- **Never leave your Ipad unsecured.** Your Ipad should never be in an unlocked locker, car or any unsupervised area. This is considered neglect.
- **Never leave your Ipad exposed to extreme elements.** Ipads are sensitive to heat and liquids, therefore leaving them in cars, direct sunlight, outdoors, or anywhere they could get hot, cold, damp or wet should be avoided. This is considered neglect.
- **Notify IT support, teachers, or administration if your Ipad has a problem.** Whether your Ipad is not functioning properly, has suffered some damage, or is missing, it is your responsibility to let a school official know as soon as possible. Never try to repair your Ipad yourself. Clean only with a dry cloth.
- **Limit damage.** More than one occurrence of loss, theft or damage in 30 school days will be interpreted as neglect. More than two occurrences of loss, theft or damage during the school calendar year will be interpreted as neglect.

No Expectation of Privacy

No one should have any expectation of privacy or confidentiality regarding any usage of a Ipad issued by the District, regardless whether the usage happens for school-related purposes or not. At any time, without prior notice of consent, the District may access, supervise, view, monitor, log, and record student use of I pads at any time for any reason related to the operation of the District. At any time, the District may inspect the contents and condition of I pads. By using a Ipad, students agree to such access, monitoring, and recording of their use.

Monitoring Software

School administrators, teachers, and instructional technology staff may use monitoring software that allows them to view screens and activity on student I pads at school.

Files Downloaded onto I pads

All images, documents, files, and apps downloaded onto the Ipad become the property of Highlands School District as allowable by law.

Student Agreement for Ipad Use:

I, _____, (print student's first/last name) agree to the following:

- I have read the HSD Internet Acceptable Use Policy and the Ipad Handbook. I will follow all of the school policies and this handbook at all times, while at school as well as outside of the school day.
- I understand I am responsible for any damage, vandalism, loss, or theft of the Ipad, power adapter, cord, and accessories whether due to accident, neglect or intent.
- I will notify IT support staff or administration in case of damage, theft, vandalism, and loss of device within 24 hours; further I will file a report with local police or school resource officer in case of theft, vandalism, or loss of device within 48 hours.
- I agree to return the District Ipad, power adapter, cord and any accessories provided by the District in good working condition at the end of the school year, if I am removed to an alternative education placement, or **withdrawn** from HSD.
- I understand I must clear all fees before participating in school-related events, including attendance at sports, dances, and graduation.

Parent/Guardian Agreement

I, _____, (print parent's first/last name) agree to the following:

- I have read the HSD Internet Acceptable Use Policy and the Ipad Handbook. I will follow all of the policies and regulations included the policy and the handbook at all times, and will hold my child accountable to these policies and regulations.
- I understand that this Ipad is designated for educational purposes and therefore my child's violations this agreement may be cause for the removal of his/her Ipad privileges.
- I assume financial responsibility for any damage, vandalism, loss, or theft of the Ipad, power adapter, cord, and accessories whether due to accident, neglect, or intent. Further, I understand if my child accidentally or purposefully damages or breaks another student's Ipad, power adapter, cord, or accessories, I am financially responsible for all expenses related to repairs or replacement. I understand I have an option to purchase a \$50 Technology Protection Plan, good for one accidental incident.
- I will assume full responsibility for any harmful or illegal content on the Ipads and will monitor my child's use of the device at home.
- I understand that the Ipads are District owned devices and all content stored on the Ipad is subject to review at any time.
- I accept these responsibilities when I accept a Ipad on loan from the District.

If my student fails to return to the District the Ipad, power adapter, cord, and accessories provided by the District at the end of the school year, enrollment to Alternative Education, or upon termination of enrollment in a Highlands School District school, I will pay the replacement cost of the Ipad, power adapter, cord, and accessories provided by the District. Failure to do so may result in a criminal and/or civil court prosecution.
