How to access Device and Device Protection Forms Through the Power School APP as a Parent

- Here you will find the “Student/Parent Device Use Agreement” and the “HSD Device Protection Plan” Both of these MUST be filled out for each enrolled student.

The screenshot displays the parent portal interface with a sidebar on the left containing navigation icons for School Information, Demographic Info, School Bulletin, Transportation Info, Honor Roll, Test Scores, Course Recommendations, Account Preferences, and MySchoolBucks. The main content area is organized into sections, each with a green header bar and a 'Submitted' status indicator (a green checkmark in a circle). The sections and their contents are:

- Collect Health**: Health Authorizations (Submitted), Health Information (Submitted).
- Collect Permissions**: Student/Parent Device Use Agreement (Submitted).
- Collect Student Screening**: Home Language Survey (Submitted), Residence Survey (Submitted).
- Enrollment**: HSD Device Protection Plan (Submitted).

Two red boxes highlight the 'Student/Parent Device Use Agreement' and 'HSD Device Protection Plan' entries. A red arrow points from a red text box labeled 'Please fill out BOTH forms' to these two entries. The bottom right corner of the page shows the version number 'v24.4.0.0'.
