Fluency At Home

- Help your child build speed and accuracy by reading aloud and having your child match his voice to yours
- Have your child practice repeated readings of lists of words, phrases, or short passages several times
- Remind your child to pause between sentences and phrases
- Read aloud to your child to provide an example of how fluent reading sounds
- Give your child books with predictable vocabulary and clear rhythmic patterns so the child can "hear" the sound of fluent reading as he or she reads the book aloud.
